Please Travel Smart on your journey to school to help reduce the impact of traffic.

● = BUS STOP

There are a number of bus services which you can use to get to school. For more information see: www.derbyshire.gov.uk/transport_roads/public_transport

If you can – please walk to school.

It is a great way to keep fit and it helps to keep the school gates free of cars. This makes it safer for children and is good for our neighbours and the environment.

You could also share your journey to help reduce the number of cars on the road and save on fuel costs too.

If you arrive by car

Remember not to park on the yellow and white lines around school. Please park with consideration for our neighbours.

You could Park and Stride from Eaton Farm and the Co-op.

You could also join our walking bus on Monday, Wednesday and Friday from the Play Park opposite Grassmere Road Co-Op and on Tuesday & Thursday from Eaton Farm Pub Car Park.

If scooting or cycling to school saves a car journey why not think about travelling this way?

There are cycle routes around school. Remember if you arrive by a bicycle or scooter, please park properly just inside the gates. Please travel safe too – wear a helmet and wear something bright.
