What did we discuss?

School Council area in classrooms

- Not all classrooms have one yet
- All classrooms to make an area with class representative picture, space to display minutes, space that says when the next meeting is and suggestions space.

Lunch boxes

- We know we are not allowed nuts
- Feel like most people don't know there are rules
- There should be rules because of allergies
- No chewing gum or nuts
- Okay to have some rules but would like to be discussed.
- Need to take into consideration balanced diet

Big questions

- Is it fair for everyone to wear their own clothes on their birthday?
- Is our school safe enough? Does everyone use equipment safely?

AOB

- Football equipment issues. We need some specific rules about football. Consequences for people not following rules – not allowed to play for a day. Only 2 footballs out on the playground at a time.

Actions for class council meetings and councillors:

- Class representatives to tell classroom teachers about school council display
- Class representatives to discuss lunchbox rule ideas with class

Next meeting - Wednesday 22nd November 2023

Lunchbox rules suggestions:

A large, empty rectangular box with a thin black border, intended for writing suggestions for lunchbox rules. The box is oriented vertically and occupies most of the page's width and height.
