English Martyrs' CVA is committed to a whole school approach to identifying, tackling & responding to child-on-child abuse, sexual harm/violence and harassment.

This policy supports the guidance issued to Derbyshire schools, that helps understand, identify and provides tools to respond to problematic/harmful sexual behaviours in schools.

A child/pupil as described in the policy is a child and young person up until 18 years.

The Context

This policy should be read in conjunction with:

- [Keeping Children Safe in Education. Statutory Guidance for schools and colleges](#). All staff in a school should be familiar with the relevant sections that deal with Child-on-child Sexual Violence and Harassment.
- [Sexual Violence and Sexual Harassment between Children in Schools and Colleges](#). DfE, latest guidance for HeadTeacher, Principals, Senior Leadership teams and designated safeguarding leads.
- The non-statutory UKCCIS guidance: ['Sexting in schools and colleges: responding to incidents and safeguarding young people'](#) and [KSCB](#) guidance: "Responding to youth produced sexual imagery"
- The non-statutory guidance: [Sharing nudes and semi- nudes Advice for Education Settings, Working with Young People](#)
- [Teaching Online Safety in Schools, DfE 2019](#)
- [The Voyeurism Act, 2019 \(Section Up skirting\)](#)

We are committed to a whole school approach to ensure the prevention, early identification, and appropriate management of child-on-child abuse in our school and beyond.

In cases where child-on-child abuse is identified we will use the local safeguarding procedures as set out by the Derby and Derbyshire Safeguarding children partnership.

Some of these behaviours we will refer to other policies in school:

- The Safeguarding and Child Protection Policy;
- The Behaviour Policy;
- The Anti- Bullying policy;
- The Online safety Policy;
- Responding to an online incident in school;
- The Acceptable Use of the Internet and Electronic Communication Policy.

We recognise that child-on-child abuse can manifest itself in many ways such as:

- language seen as derogatory, demeaning, inflammatory
- unwanted banter
- sexual harassment
- sexting /youth produced sexual imagery
- sexual violence/ harmful sexual behaviour
- hate
- homophobia
- based on gender differences and orientation
- based on difference
- serious bullying / cyber-bullying
- relationship abuse
- domestic abuse
- child sexual exploitation
- youth and serious youth violence
- gang related activity

All staff will receive an awareness and understanding of child-on-child abuse, sexual violence and harassment in their training and we will work together to reduce this behaviour and any related incidents. We will explain to children that the law is in place to protect rather than criminalise them. Our staff will understand the importance of intra-familial harms, and any necessary support for siblings following incidents.

Vulnerable Groups

We recognise that all children are at risk but that some groups are more vulnerable than others and includes:

- A child with additional needs and disabilities;
- A child living with domestic abuse;
- A child who is at risk of/suffering significant harm;
- A child who is at risk of/or is been exploited or at risk of exploited (CRE, CSE)
- A looked after child;
- A child who goes missing or is missing education;
- Children who identifies as or are perceived as LGBTQI+ and/or any of the protective characteristics;

Research tell us that girls are more frequently identified as been abused by their peers and more likely to experience unwanted sexual touching, and sexual harassment. They often are exploited into gangs and are victims of sexual violence when in gangs. However, we are aware as a school that these are behaviours not just confined to girls.

Boys are less likely to report intimate relationship abuse and may display other behaviour such as anti- social/criminal behaviours. Boys are more likely to be exploited /entrapped into gangs and subject to violence as a result of gang culture.

Bullying and Online bullying and behaviour

Child-on-child abuse, can happen online and through social media. This school will respond to this form of abuse, cyber bullying and related behaviour.

This school has other policies¹ which relate to identifying, responding to and reporting this type of behaviour by pupils. We will take a robust approach and educate all our staff to help prevent and tackle this.

Responding to Racism

We acknowledge that Britain is a multi-racial and multi-faith country, and everyone has the right to have their culture and religion respected by others. Racist bullying is not just about the colour; it can be about your ethnic background or religion too.

We recognise that racism is illegal. We will, therefore, notify the police if we believe an offence may have been committed.

We will provide education in school about racism and its impact on children and their families and this will be taught as part of our Safeguarding curriculum. We will use a whole school approach of tackling and eradicating this type of behaviour.

Hate crime

Hate crimes happen because of race, gender identity, religion, sexual orientation and disability.

Hate crimes can include:

- physical attacks - physical assault, damage to property, offensive graffiti, neighbour disputes and arson
- threat of attack - offensive letters or emails, abusive or obscene telephone calls, groups hanging around to intimidate you and unfounded, malicious complaints
- verbal abuse or insults - harassment over the phone, by text or face to face, abusive gestures and remarks, bullying and threats

Hate crime can happen anywhere - at home, school, work or on the street. It can be frightening for the victim and witnesses. Hate crime can happen in school. It is an offence and we will notify the police if we believe an offence may have been committed.

Sexual Harm, Violence and/or Sexual Harassment

Sexual harm, violence and sexual harassment can occur between two children of any age or gender; this can either be a group of children sexually assaulting or sexually harassing a single child or group of children. We recognise that this behaviour can take place in a school or any setting where pupils are together.

The impact of this behaviour on children can be very distressing having an impact on academic achievement and their emotional health & wellbeing.

All behaviour takes place on a spectrum. Understanding where a pupil's behaviour falls on a spectrum is essential to being able to respond appropriately to it.

Action following a report of Sexual Harm, Violence and/or Sexual Harassment

We will inform all staff that should they see or hear of any sexual behaviour they will stop the behaviour immediately; report the behaviour to the Designated Safeguarding Lead and make a written record of the incident.

We will speak to the pupil to establish their view about what happened and why, what understanding they have, what responsibility they take for their actions, and their willingness/ability to work on their behaviours.

We will speak to the pupil/s who has been targeted to establish the impact on them of the behaviour. How the other pupil/s managed to get in a position to carry out the behaviour, how they are feeling about the other pupil now, and what support they require.

This will only be to ascertain clarification; any further investigation may have to be

undertaken by the statutory agencies.

We will contact the parents/carers of those involved and share the information.

Following an incident, we will consider:

- The wishes of the victim in terms of how they want to proceed e.g. ask about
- Whether they want to make a police complaint. This is especially important in the context of sexual violence and sexual harassment;
- The nature of the alleged incident(s) e.g. the intention, mitigating circumstances AND Including: whether a crime may have been committed and consideration of harmful sexual behaviour;
- The ages of the pupils involved;
- The developmental stages of the pupils involved;
- Any power imbalance between the pupils concerned. For example, is the alleged abuser significantly older, more mature or more confident? Does the victim have a disability or learning difficulty?
- If the alleged incident is a one-off or a sustained pattern;
- Are there ongoing risks to the victim, other pupils, siblings, adult students or school staff; or other related issues in the wider context?

Whilst the school establishes the facts of the case:

- The alleged abuser will be removed from any classes or areas they share with the victim;
- We will consider any reasonable steps to ensure the safety and protection of the alleged abuser, victim and all other pupils we have a duty to safeguard;
- We will consider how best to keep the victim and alleged abuser/s at a reasonable distance apart on school premises, including transport to and from the school;
- We will use the recommended In School HSB Risk Management Plan if assessed as appropriate;
- We will use a Victim Support Plan.

These actions are in the best interests of the pupils involved and should not be perceived to be a judgment on the guilt of the alleged abuser.

Responding to an incident/disclosure

Where abuse or violence, including sexual harm and/or sexual harassment, has taken place outside of school e.g. on school transport, off site during lunchtimes, or in the local community involving one or more of our pupils; we will investigate and take action around the conduct of the pupil/s. We will also consider if we should notify the police if we believe an offence may have been committed.

Where behaviour between peers is abusive or violent, including sexual harm or sexual harassment within the school; we will use our procedures as set out by the schools' child protection and safeguarding policy, and the procedures as set out by the local Children's Safeguarding Partnership. This will mean a referral to the police and a referral to Children's Social Care Services.

All staff understand that all concerns must be reported to the Designated Safeguarding Lead; however, we acknowledge that anyone can make a referral.

At English Martyrs' CVA, we will support the victims of child-on-child abuse by offering emotional support throughout the process, ensuring the victim feels safe and agree a series of steps to improve the relationship.

We will record all instances of bullying, prejudice, violence and sexual violence and related incidents involving peers. This will include racism and racist bullying. We will inform parents/carers of this.

Our records will show what actions have been taken and any outcomes. We will produce these for an OFSTED inspection if requested and we will also demonstrate how we have tackled any of these incidents to prevent recurrence.

Reporting

Any incident of racism, race hate or incitement to hate will be reported to the police if it is believed an offence may have been committed.

Any incident of alleged or an actual incident of sexual harm, violence and/or sexual harassment will be reported to the police if it is believed an offence may have been committed. In all cases consideration is given to reporting the matter to Children Social Care Services.

There are circumstances in some cases of sexual harassment/touching which dependent upon age and understanding/age of criminal responsibility, (e.g. one-off incidents), which we may decide that the child/ren concerned are not in need of Early Help or statutory intervention.

In these situations, it would be appropriate to handle the incident internally, for example by

utilising the behaviour and bullying policies, providing pastoral intervention and support. We may also decide that some child/ren involved do not require Statutory Interventions; however, they may benefit from Early Help.

Sanctions

We will consider the sanctions available to use as school in reference to our Behaviour Policy.

We recognise disciplinary actions rarely resolve issues of child-on-child abuse and this school will consider all courses of action and intervention.

We recognise that emotions and feelings can run high, and we will endeavour to respond to concerns from any pupil, other pupils, parents and the local community.

We will ensure all necessary parties including the parents/carers are informed and kept up to date. We will listen to any concerns and will work to attempt to resolve these.

The Role of Governor

The Chair of Governors/ Link Safeguarding Governor will need to be aware of the complexities when an incident or incidents come to light, and when staff in the school are trying to manage these behaviours. This includes the use of sanctions, exclusions, pressures from parents to exclude and dealing with the parents of the alleged abuser or any alleged victim/s.

We know that as a school, the Chair of Governors and Link Safeguarding Governor will also need to consider that they may be approached by members of staff who are angry or anxious about pupils with sexual behaviours. In addition, we will also consider that there may be occasions where schools also feel pressures from external sources e.g. the local community and the media.

It is important that we as those governors are informed and can help with a consistent approach and policy on such matters, and we recognise governors should use any examples to help inform the schools future practice, ethos, reviewing any policy or procedure in light of this.

Multi-Agency Working

This school will work with our partners and agencies; Childrens Social Care, the Police, Youth Offending Service, Health and CAHMS.

We recognise that we will be invited to share information, being a part of local partnerships and local partnership groups to help identify risk and issues both within the school and in our local community.

Our local point of contact will be the chair of our local group and the Head of Service for our

locality (Derbyshire)

Prevention and Training

English Martyrs' CVA are always working hard to create a culture where child-on-child abuse does not happen.

We are aiming to create an ethos of good and respectful behaviour, and this should extend to all areas of the school and in a school day, including travelling to and from school.

We use approaches in the curriculum to address and tackle child-on-child abuse and eradicate any cultures pertaining to an unsafe and unhealthy academy where children do not feel safe.

We through curriculum teaching, learning and events and activities will provide:

- RSE – 'Journey in Love' programme of study
- PSHE curriculum
- RE curriculum
- Gospel Values

We will ensure that all our pupils know who to talk to, how to receive advice and help within the school. We will be able to signpost children to relevant local and national helplines and websites.

Management of the Policy

We will ensure all our staff, governors, volunteers are trained in the awareness and response to all forms of bullying, all forms of child-on-child abuse, racism and race hate and including any local issues and concerns in the wider context (Contextual Safeguarding).

In addition, we will ensure all our staff, governors and volunteers are aware of this policy and the supporting guidance, in order that they are clear regarding their role and responsibilities.

The School Designated Safeguarding Lead will take on a lead responsibility to ensure all staff are trained in the use of the available assessment tools, including the use of Health, Wellbeing and Safety Support Plans, the 'In School' Risk Management Plan and the 'Victim/s Support Plan.

The Link Safeguarding Governor in the school will act to oversee and audit any training activity which takes place and activities in relation to this policy.

The governing body should undertake an audit activity to help assess the effectiveness of the school and its processes in tackling all forms of child-on-child abuse.

We will ensure that parents/carers are made aware of this policy and its availability on the school website.
