Can we have the old sports day format back with more activities in.

Mr Blurton has been working with the PSA parents on this and Miss K-H will be looking at having a KS1 and KS2 sports day session so that parents will be able to see both children so families don't have to split themselves.

Reception don't seem to have many clubs available to them

Historically, we have always avoided after school clubs for Reception in the Advent and Lent terms as we have found they are just too tired!

It would be nice to have access to the Seesaw app to see what the children do in the day

We use Seesaw in Reception as their learning journey and they don't have books. We don't use Seesaw in the other year groups apart from to collect evidence for subject leaders.

TTRS sound check is too fast!

TTRS mimics the Multiplication Check that the children undertake in Year 4. Unfortunately, we can't alter the speed but the children could access other areas of the TTRS programmes.

To do more trips

We do try to ensure each year group have a trip where they go out for the day and a workshop linked to their curriculum in school too. Sometimes, it's not always easy to find linked trips to the curriculum but we do try our best!
