

7<sup>th</sup> January 2026

Dear Parents and Carers,

I hope you all had a lovely break and managed some precious family time together. Thank you very much to all the children and families who shared gifts and kind words in Christmas cards to the staff and myself, it really is appreciated. It was wonderful to see so many families attend the carol concert at St John's in Stapleford, despite the unfortunate traffic delays. It is always such a lovely community event. Our next school community and parish event is the Big Lent walk which we will be taking part in again this year on 7<sup>th</sup> March, walking (or perhaps with the help of a scooter!) from Attenborough to Beeston and back again with a stop for refreshments at The Assumption church hall in Beeston. Please pop the date in your diaries and join us if you can.

Additionally, thank you so much for the many of you that have taken the time to email or speak to me personally following the recent Ofsted visit, I have now received our draft report and so I hope that the final report will be available to you all very soon. We will send it out via Parent Hub once it is available.

## SEND

PSP meeting have now taken place for our pupils on the SEND register. If you think you have missed your meeting or still need to make an appointment, please get in contact with the school office or your class teacher.

## Uniform

Please remember that ALL pupils, including Reception pupils, are expected to wear ties as part of our uniform. If you are missing a tie following the holidays, they are always available from the school office at a cost of £4.50, payment is to be made via your child's parentpay account and ties will be dispatched to the class teacher on Monday's and Friday's. If you do have a tie at home that has been lent by school, please could it be returned so we can keep hold of spares. Thank you.

## SATs and Year 1 Phonics Screening

### Statutory testing 2026

The tests will take place during the following dates. It is imperative that all pupils are in school during this time, so please do not make holiday plans, dental appointments etc. during any of these dates.

- Year 6 SATs tests will take place during week commencing 11th May 2026.
- Year 1 phonics screening will take place week commencing 8th June 2026.

### Year 6 (current year 5 children) Residential to The Briars

We will be holding a short briefing and question and answer session on the 2026 Briars trip for the current Year 5 parents on Monday 2nd February at 8.45am. The first letter with full details of the trip will be sent home after the meeting.

### World Book Day

We will be celebrating *World Book Day* on Thursday 5th March. Please do not feel that you have to buy an outfit specifically for this day, I know this would support our sustainability agenda as a school. Instead, if the children would like to come in pyjamas with their favourite bedtime story that can also be an option.

### Parking & Walking Bus

Please bear in mind the following at drop off and pick up times:

- Residential driveways are not blocked by cars – however quick you think you may be dropping off, this is still an inconvenience to residents of Bracken Road and causes friction between the school and the community
- Disabled parking bay – Please be considerate with the use of this space, we only have one space and we do share this with Brackenfield when they need it. Please can we ask that it is only used for those that have a blue badge themselves that are dropping off a pupil at the school.
- Visitor car park - Again please be considerate when parking in here and do not block other families in no matter how quick you think the drop off or pick up may be
- School bus parking bay – If the bus lane is not in use, please do use either end of the bay to drop off or pick up but please leave ample space for the bus as it may not have arrived yet. Additionally, please don't leave the car running for a long period of time as this can further impact air pollution around the school.
- Consider parking on Briar Gate and walking the final part of the journey.
- Use of the walking bus that is available each morning from the Petersham play area.

**WALKING BUS - 08:35AM Monday - Friday from Petersham Playground near the Coop.**

Please do consider the way that staff are spoken to when members of the school community are being asked to move cars. We want to ensure that everyone is kept safe and that we retain good relations with the community around us and no member of staff should have to entertain verbal abuse for trying to do this.

### Dogs

Can we remind you that dogs are NOT allowed on the school playground at the start of the day or end of the day, carrying the dog is not allowed either.
