

## Writing

This term children will be using the text written by Pie Corbett called Fowler's Yard. We then will move onto a news report linked to the same fiction text.

Children will have the opportunity to learn the story orally and visually before attempting their own written versions.

Year 5/6

# PENTECOST 2

## Maths

Year 5 maths topics  
Decimals, negative numbers, converting units and volume.

Year 6 maths topics  
Consolidation projects

## Reading

### Fiction

Discuss and evaluate how authors use language, including figurative language, considering the impact on the reader

### Non-Fiction

Distinguish between statements of fact and opinion

## RE

This term our RE topic is called 'Dialogue and Encounter'

Year 5 will learn about the importance of the Bible and how the Christian faith is similar to the Jewish faith.

Year 6 will look into the CST, Justice and Peace and how this links to the Hindu faith.

## Science

We will be looking into:

### Fossils

- Explaining how fossils are formed
- Comparing fossils
- Mary Anning and the impact she had

### Investigating conductivity.

- Planning a test to investigate
- Conducting investigation
- Evaluating investigation

Year 5/6

# PENTECOST

2

## Geography

For Geography this half term, we will be conducting fieldwork - which will include a short trip to West Park.

Before we go, children will learn how to develop an enquiry question and the most effective way to gather data. We will then plan our route for our field trip and conduct our own research to answer the enquiry question.

## Computing

For computing, we will be looking at Programming.

Year 5 pupil will be learning about programming: selection in quizzes.

Year 6 pupils will be learning about Programming: Sensing movement.

## ART

We will be covering the topic: Making memories

Children will look at analysing how art can explore the concept of self, exploring sculptural techniques, using creative experience to develop ideas and plan a sculpture, which they will later apply their understanding by constructing 3D forms.

## PSHE

Our topic for PSHE this term is Me, my body and my health (Y6 ONLY)

We will be learning about:

- How a baby grows and develops
- The role of menstruation
- Feelings that are connected to grief.

## Music

We are excited to use our music lessons to learn our end of year school play, focusing on performance and singing.

Keep an eye out for more information on this, including costumes and performance dates.

Year 5/6

**PENTECOST**

2

## PE

PE will continue as previous terms. Children will be covering rounders (striking and fielding).

Please ensure PE kits are as followed:  
White t shirt (no football or logo shirts)  
Blue shorts or tracksuit bottoms  
Trainers

## Forest Schools

Forest schools will continue as previous terms.

Children will still need arms/ legs covered during these lessons.

## French

Our topic for French is called 'Visiting a French town'

Children will look at:

- Learn about travel to France through role play
- Express and justify an opinion on where to visit in a town
- Analyse a text and identify key grammatical features.
